

Apprenticeship , training contract , face-to-face

CCA Bachelor's degree in English - 3rd year

RNCP: 42362

This third year of the Bachelor's degree (L3) offers a comprehensive grounding in the key subjects of accounting, finance, management control and auditing.

It may be completed over one academic year.

An 8-week internship is mandatory for students enrolled in initial training.

Level of study

Bachelor Degree Bac +3 ; institution - awarded diploma at Level 6 (ex-level I)

Credits

30 ECTS per semester, 60 ECTS in total

Application requirements

- ◆ Minimum two-year higher education qualification (Bac+2) in accounting or economics and management.
- ◆ BUT GEA or BTS CG.
- ◆ European qualification equivalent to a two-year higher education degree (Bac+2) (Accounting and tax knowledge will be assessed).
- ◆ Possible access through VAPP (Validation of Professional and Personal Experience).

Program duration

This program is completed over 1 year of study. An internship of at least 8 weeks is required for students who are neither apprentices nor employees enrolled in continuing education. For students enrolled in initial training, the written assignment for the TEC 449 course takes the form of an internship report, while for apprentices and students enrolled in continuing education, it takes the form of an activity report.

Career opportunities

- ♦ Junior staff member in an accounting or audit firm.
- ♦ Junior management controller, junior treasurer, or junior internal auditor.
- ♦ Junior accountant in a company.

Graduation requirements

- ♦ No written examination mark < 6/20.
 - ♦ No final average mark (written examinations + continuous assessment) < 6/20.
 - ♦ An average of at least 10/20 in each of the two semesters comprising the academic year.
- Important: semesters cannot be compensated. Only grades obtained in Intec-organized examinations are taken into account.

In the event of **resits**:

For a validated semester, all subjects are considered validated.

For a non-validated semester, only final average marks $\geq 10/20$, with a final examination mark $\geq 6/20$, may be carried forward.

In all other cases, the subjects must be retaken.

Progression from Bachelor's degree- 3rd year (L3) to Master's degree - 1st year (M1) is conditional upon successful completion of the L3.
